BUCKEYE CAREER CENTER ADDS WELDING TECHNOLOGIES TO FULL-TIME ADULT EDUCATION OFFERINGS, OPEN HOUSE PLANNED FOR JUNE 11

New Philadelphia, OH (May 31, 2019) - Buckeye Career Center is adding Welding Technologies to its list of in-demand Adult Education courses and allowing prospective students to learn more about adult programs at an open house, June 11, 2019. The event runs from 4:30-6:30PM at Buckeye Career Center.

Buckeye Career Center Director of Adult Education, Curriculum, & Instruction Frank Polen believes the full-time Welding Technologies program will help both area companies and local residents. “During recent visits to many of our local manufacturing-based companies, we heard of one common theme and that was the need for more certified welders,” said Polen. “With the addition of an Adult Education Welding Technologies program, we hope to become the premier training center for years to come as participants will have the opportunity to gain AWS Certifications,” he said. Students will be eligible for financial aid and part-time welding courses will be available for those seeking specific credentials including GMAW, SMAW, FCAW, and GTAW. “We feel that whether it be a part-time non-credential, part-time credential, or full-time program, we are prepared to help meet the needs of an in-demand field,” said Polen.

At the open house, potential students can learn more about Welding Technologies and other fulltime programs including: Cosmetology; Dental Assisting; Heating, Ventilating, Air Conditioning, & Refrigeration; Heavy Equipment/ CLD A Operator; Medical Assisting; Medical Office & Billing Specialist; Law Enforcement Training Academy; and Utility Lineworker. Cosmetology is a two-year program with summers off while the other full-time offerings take nine months to complete. BCC invites recent high school graduates, adults of all ages wanting to start a new career, or even adults hoping to learn additional skills to attend. Admissions representatives will also be on-hand to discuss financial aid and part-time courses, as well. The \$50 registration fee for Adult Education classes will be waived for any prospective student who registers for classes the night of the open house.

For more information call the Buckeye Career Center Adult Education office at 330.308.5720 or visit www.BuckeyeCareerCenter.org. Buckeye Career Center is located at 545 University Drive, NE, New Philadelphia, OH 44663.
