### **BUCKEYE CAREER CENTER TO HOST CAREER-TECHNICAL/MILITARY SIGNING DAY**

New Philadelphia, OH (March 14, 2019) – Buckeye Career Center will again host a career and technical education signing day to honor students who have committed to full-time employment or a position within the military. The event is planned for Wednesday, May 15, 2019 at 10am in the Joe Carlisle Café.

BCC's first signing day event occurred in 2018 and featured four students who were hired to work full-time for Allied Machine & Engineering. The event is designed to celebrate the commitment and accomplishments achieved by students who are entering the workforce directly after high school. It is similar to athletic or college signing day events. Buckeye Career Center Superintendent Bob Alsept believes it is important to highlight students who are achieving their career goals. "This is a great way to celebrate one of our most important accomplishments as a career center," said Alsept. "We are very proud of our skilled students who are moving into full-time employment."

Any local company or military branch that is interested in participating should complete the online registration form by May 6, 2019. Employers can visit <http://www.buckeyecareercenter.org/CTEMilitarySigningDayRegistration.aspx> to complete the form.
