INFORMATION FOR PART-TIME CLASSES

WITHDRAWAL:

If you need to withdraw from a part-time course, all but a \$10 processing fee will be refunded. **Withdrawals must be made fewer than three (3) business days before the class is scheduled to begin.** No tuition will be refunded if a student withdraws within 3 days of the scheduled start of class or after the class has started.

BOOKS:

All books, supplies, and other materials are included in the course cost. Books will be available in the Adult Education Office. The student is responsible for basic tools required. Some exceptions are noted in the course description.

CERTIFICATES & CEUs:

A Certificate of Completion will be awarded to each student who attends **90%** of scheduled part-time classes and satisfactorily completes the course. CEUs are calculated at .1 CEU for every hour spent in class. The student receives the original certificate and the school does not keep a copy. Duplicates can be issued at a cost of \$10.

**For general information on full-time classes,
contact the Adult Education Office at 330-339-2288.**

OHIO TECHNICAL CENTERS (OTCs)

OHIO TECHNICAL CENTERS (OTCs)

Ohio Technical Centers (OTCs), a division of the Ohio Association of Career-Technical Superintendents, are an association of 51 independently operated career technical centers offering educational programs to adults specific to local needs, improving the job skills and professional competencies of Ohio's workforce. Buckeye Career Center is your local technical center.

All Ohio Technical Centers programs are approved by the Ohio Department of Higher Education, national accrediting agencies, and specific third-party credentials. In 2021, the Ohio Department of Higher Education reported that 71% of those enrolled in a technical program received a credential, certificate, state license or passed a technical assessment upon completion, and 90% of those completing a technical program found employment.

CUSTOMIZED TRAINING FOR BUSINESS AND INDUSTRY

Buckeye Career Center is an approved Center for Training Excellence through the Ohio Department of Higher Education and is committed to providing high quality training and services. A well-trained workforce means a more productive workforce!

We are willing to work one-on-one with employers to design and deliver customized training programs specific to each employer's needs and requirements. Whether your employees need to update their current skills or acquire a whole new skill set, we can develop the training necessary to meet those needs. Training can be provided one-on-one or in a group setting. Sessions can be conducted at your business, our facility, or at a mutually agreed upon location.

If you are an employer and have workforce training needs, just call and we will work with you directly to develop a program that will meet your specific needs! For additional information contact the Adult Education Office at 330-339-2288 or 1-800-227-1665.

Many courses are also online! Check out what's available by going to:

LEARN MORE. EARN MORE.

ASPIRE

The Buckeye Aspire program assists adults in Tuscarawas County and surrounding areas with beginning and secondary skills in Reading/Math/Language, High School Equivalency test preparation (GED®), English for Speakers of Other Languages (ESOL), and Career and Postsecondary Pathways to include partnered support with Buckeye Career Center's expanding Adult Diploma Program (ADP) offerings. Guided by their class site instructor, students blend individualized career and education goals with skill progression in their subjects of need.

Buckeye Aspire is a grant-funded program through the Ohio Department of Higher Education that offers **FREE CLASSES** to participating students. To enroll, individuals need to complete a two-day orientation session at their class site which includes career and education goal mapping, and determines starting points in the core subjects. ESOL students only need to attend a single-day orientation. Buckeye Aspire students must be 19 years or older unless school withdrawal approval documentation is provided prior to orientation.

To register for an orientation session or for additional program information, please call Buckeye Aspire Coordinator Nate Hackenbracht at 330-339-2288, ext. 1551 or 1-800-227-1665. Upcoming orientation dates and times can be found on the Buckeye Aspire website: www.buckeyecareercenter.org/Aspire.aspx

GED® TESTING SITE

As a certified Pearson-VUE Testing Center, Buckeye Career Center offers the official, computer-based GED® test for High School Equivalency (HSE) completion. Prior to testing, all GED® testers need to set up a personalized account on GED.com and complete the online registration process. All four subjects: Reasoning Through Language Arts (RLA), Math, Science, and Social Studies - must be passed for GED® completion.

Testers are not required to take all four subjects on the same day and are encouraged to complete one or two subjects at a time, at their own pace. GED® testers must be at least 19 years of age or 16-18 with the required documentation to test approved in advance by the home school district, the Ohio Department of Education High School Equivalency Office, and GED® Testing Services.

For additional testing and state GED® voucher information, contact the Buckeye Career Center Testing Center and Testing Coordinator Nate Hackenbrach at 330-339-2288, ext. 1551. GED® Testing Services can be reached at 1-877-EXAM-GED.

Transitions Services

A Transitions Coordinator is available to meet individually with GED® testers and Buckeye Aspire students to assist with Career and Postsecondary Education Readiness. The Transitions Coordinator is available to assist with career pathways and training options, resume building, interviewing skills, job search skills, and educational opportunity resources.

TESTING SERVICES

Pearson VUE

The test center at Buckeye Career Center in New Philadelphia, Ohio is the go-to Pearson VUE testing site for hundreds of testers a year across East Central Ohio and beyond, with our most-frequent testers completing the Ohio Assessments for Educators (OAE), the GED® for High School Equivalency, American Medical Technologists (AMT), CompTIA (for Information Technology), and dozens of other certification and licensure exams offered through the extensive Pearson VUE testing catalog. Testers register for and schedule their test through their respective exam's official site, which pairs with the testing center availability at Buckeye Career Center.

ACT WorkKeys®

ACT WorkKeys® is a job skills assessment system that helps employers select, hire, train, develop, and retain a high-performance workforce. This series of computer-based assessments measures functional skills as part of ACT's Work Readiness System. ACT WorkKeys® has helped millions of people in high schools, colleges, professional associations, businesses, and government agencies build their skills to increase global competitiveness and develop successful career pathways. Successful completion of ACT WorkKeys® assessments in Applied Mathematics, Graphic Literacy, and Workplace Documents is utilized at Buckeye Career Center for enrollment into its full-time programs, Adult Diploma Program (ADP) requirements, and can also lead to earning ACT's National Career Readiness Certificate (NCRC).

Other Services

Buckeye Career Center is also the area's testing location for Fire and EMS certifications, EPA 608 (HVAC+R), Certipoint's Adobe and Microsoft credentialing, and partners with Ed-2-Go (Cengage Learning) for home-based and self-paced online skill enhancement course opportunities. Ed-2-Go course offerings and information is available online at careertraining.ed2go.com/buckeye.

FRIENDS OF ADULT EDUCATION

Friends of Adult Education raises funds to assist adults in attending Buckeye Career Center. The opportunity to attend Adult Education to attain increased job stability comes with expenses that are daunting for many. Adults wishing to further their education find it difficult to balance work, family, and the added expense of tuition. Unfortunately, subsidized funds for training have all but disappeared. We often come across instances where financial challenges within a family curtail the education of promising students. It is the mission of Friends of Adult Education to make it possible for adults to continue their education. This, in turn, leads to a local economy where they can give back to our culture and civic life.

We encourage you to learn more about this fund at www.faebcc.com
